LAS LOMITAS EDUCATION FOUNDATION  
BOARD AND DISTRICT PARENT

**Las Lomitas Education Foundation**

Dear Parents,

We are so fortunate to live in a community passionate about educational excellence!

The Las Lomitas Education Foundation is a non-profit, parent volunteer organization dedicated to fostering and enriching the tradition of educational excellence in the Las Lomitas School District. Donations to the Foundation support many District efforts including:

- Maintaining smaller class sizes, facilitating individualized attention
- Funding an enhanced curriculum which includes art, music, foreign language, computer lab and physical education

As a result of your generosity and that of our community, the Foundation contributed over \$1.45 million dollars to the District last year. Donations from local businesses in cash, merchandise and service contributions were in excess of \$200,000.

This unparalleled commitment to our local public schools has ensured for a third year in a row that our District is the number one district in the State of California, out of 1,021 districts.

Each business featured in this Directory has made a significant contribution to The Foundation. We are proud to provide you with a listing of these generous business partners along with many valuable money saving offers. Please support these businesses and let them know that you appreciate their investment in our children and in our community.

Most sincerely,

Diana Sunshine  
2010-2011 President  
Las Lomitas Education Foundation

[www.llef.org](http://www.llef.org) • P.O. Box 7282, Menlo Park, CA 94026

The Foundation thanks  
 all of our business partners who so  
 generously contributed to our schools.  
 Distributing this directory is our way  
 of saying “thank you” to our supporters  
 in the business community.  
 We encourage families to  
 patronize these businesses when  
 the opportunity arises to thank  
 them for their support.
